### #2 - "DNA IS NOT YOUR DESTINY" with ACTIVATION MEDITATION

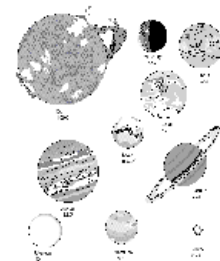

**"Unlock and Activate the Codex within the DNA Through Sound and Vibration!"**

DNA is our human blueprint and the information that creates our physical body. The challenge comes when some of that information gets out of sequence and misspelled through genetics, stress, toxins or validating misinformation put into our belief system. At this workshop, we will explore the question – Can we through conscious intention and the use of sound and vibration, correct some of these misspellings and therefore create a better quality of life.

**Saturday, September 18, 10 am - 1:00**  
**3 Hour Workshop: \$45**

### #4 – ALIGNING YOURSELF WITH PLANETARY POWER

This Planetary Tuner Workshop will demonstrate how we receive planetary sounds via cranial resonance. You will learn a practical system of how Planetary Tuners can be placed on the spinal vertebra based on the Zodiac resonance to effect healing. The Planetary Tuners activate those qualities by creating a sympathetic resonance between the planets and yourself. By consciously directing the energy of each planet for healing and well-being, the Planetary Tuners brings new dimensions to your Astrology readings, enhance bodywork & acupuncture sessions, or use for personal meditation and growth.

**Sunday, September 19, 10 AM - 1:30 PM**  
**\$99 Fee / includes FREE Planet Tuner (\$50 value)**
