

## SomaEnergetics Level One Intensive Sound Therapy Workshop

The Ancient Solfeggio Frequencies facilitate a sense of balance and harmony and reconnect you with your inner energy potential. Each expression of sound is a way that we may access deeper levels of consciousness and free the blocked energy which has been stored in our "energy anatomy." When energy flows freely, new choices in our lives are awakened and we have new-found energy from within to make the changes we want and perhaps, need to make.
