INTENSIVE SOUND THERAPY WORKSHOP

with Master Teacher & Developer David Hulse, CMSTT

- Reconnect with your inner energy potential using the ancient Solfeggio frequencies to balance and impart harmony in your life.
- Sound is a way to free blocked energy, thereby creating openings in which novel choices are awakened and new-found energy becomes available for personal transformation, health and healing.
- These protocols may be used immediately after training for both personal and client-centered application.

Massage, Reiki and Polarity Therapists, Holistic Physicians, Energy Workers and individuals around the country are using these powerful tuning forks with the SomaEnergetics Energy Vitality Techniques. These protocols can be used in complement with nearly all energy and bodywork modalities.
